MAKING A DIFFERENCE

Madalitso (which means, "blessings") is married and lives in Kasungu district with his wife and five children. Madalitso has 6 brothers and 2 sisters. He has endured hardship as both parents have passed away, as well as one of his two sisters. Madalitso is passionate about serving the Lord. While his wife was not able to join him for the DTI program because their children needed to remain home to finish school, they agreed that one of them should come through the program and return home and share what they've learned. Madalitso hopes to become more committed to God personally through his time at DTI, as well as gaining biblical knowledge and learning new ways to spread the good news of Jesus. In his free time, he loves to preach and to read. He finished high school in 2000 and thereafter worked as a clerk at several businesses while doing his own farming at home. He hopes to be a well equipped preacher of the gospel in the future.

Madalitso's favorite Bible verse is
2 Samuel 14:14 - "This passage shows me that death is real."
